## LOST PET TIPS

## FOR DOG AND CAT OWNERS

We know if can be scary if your pet goes missing. We've compiled some tips to help if that happens.

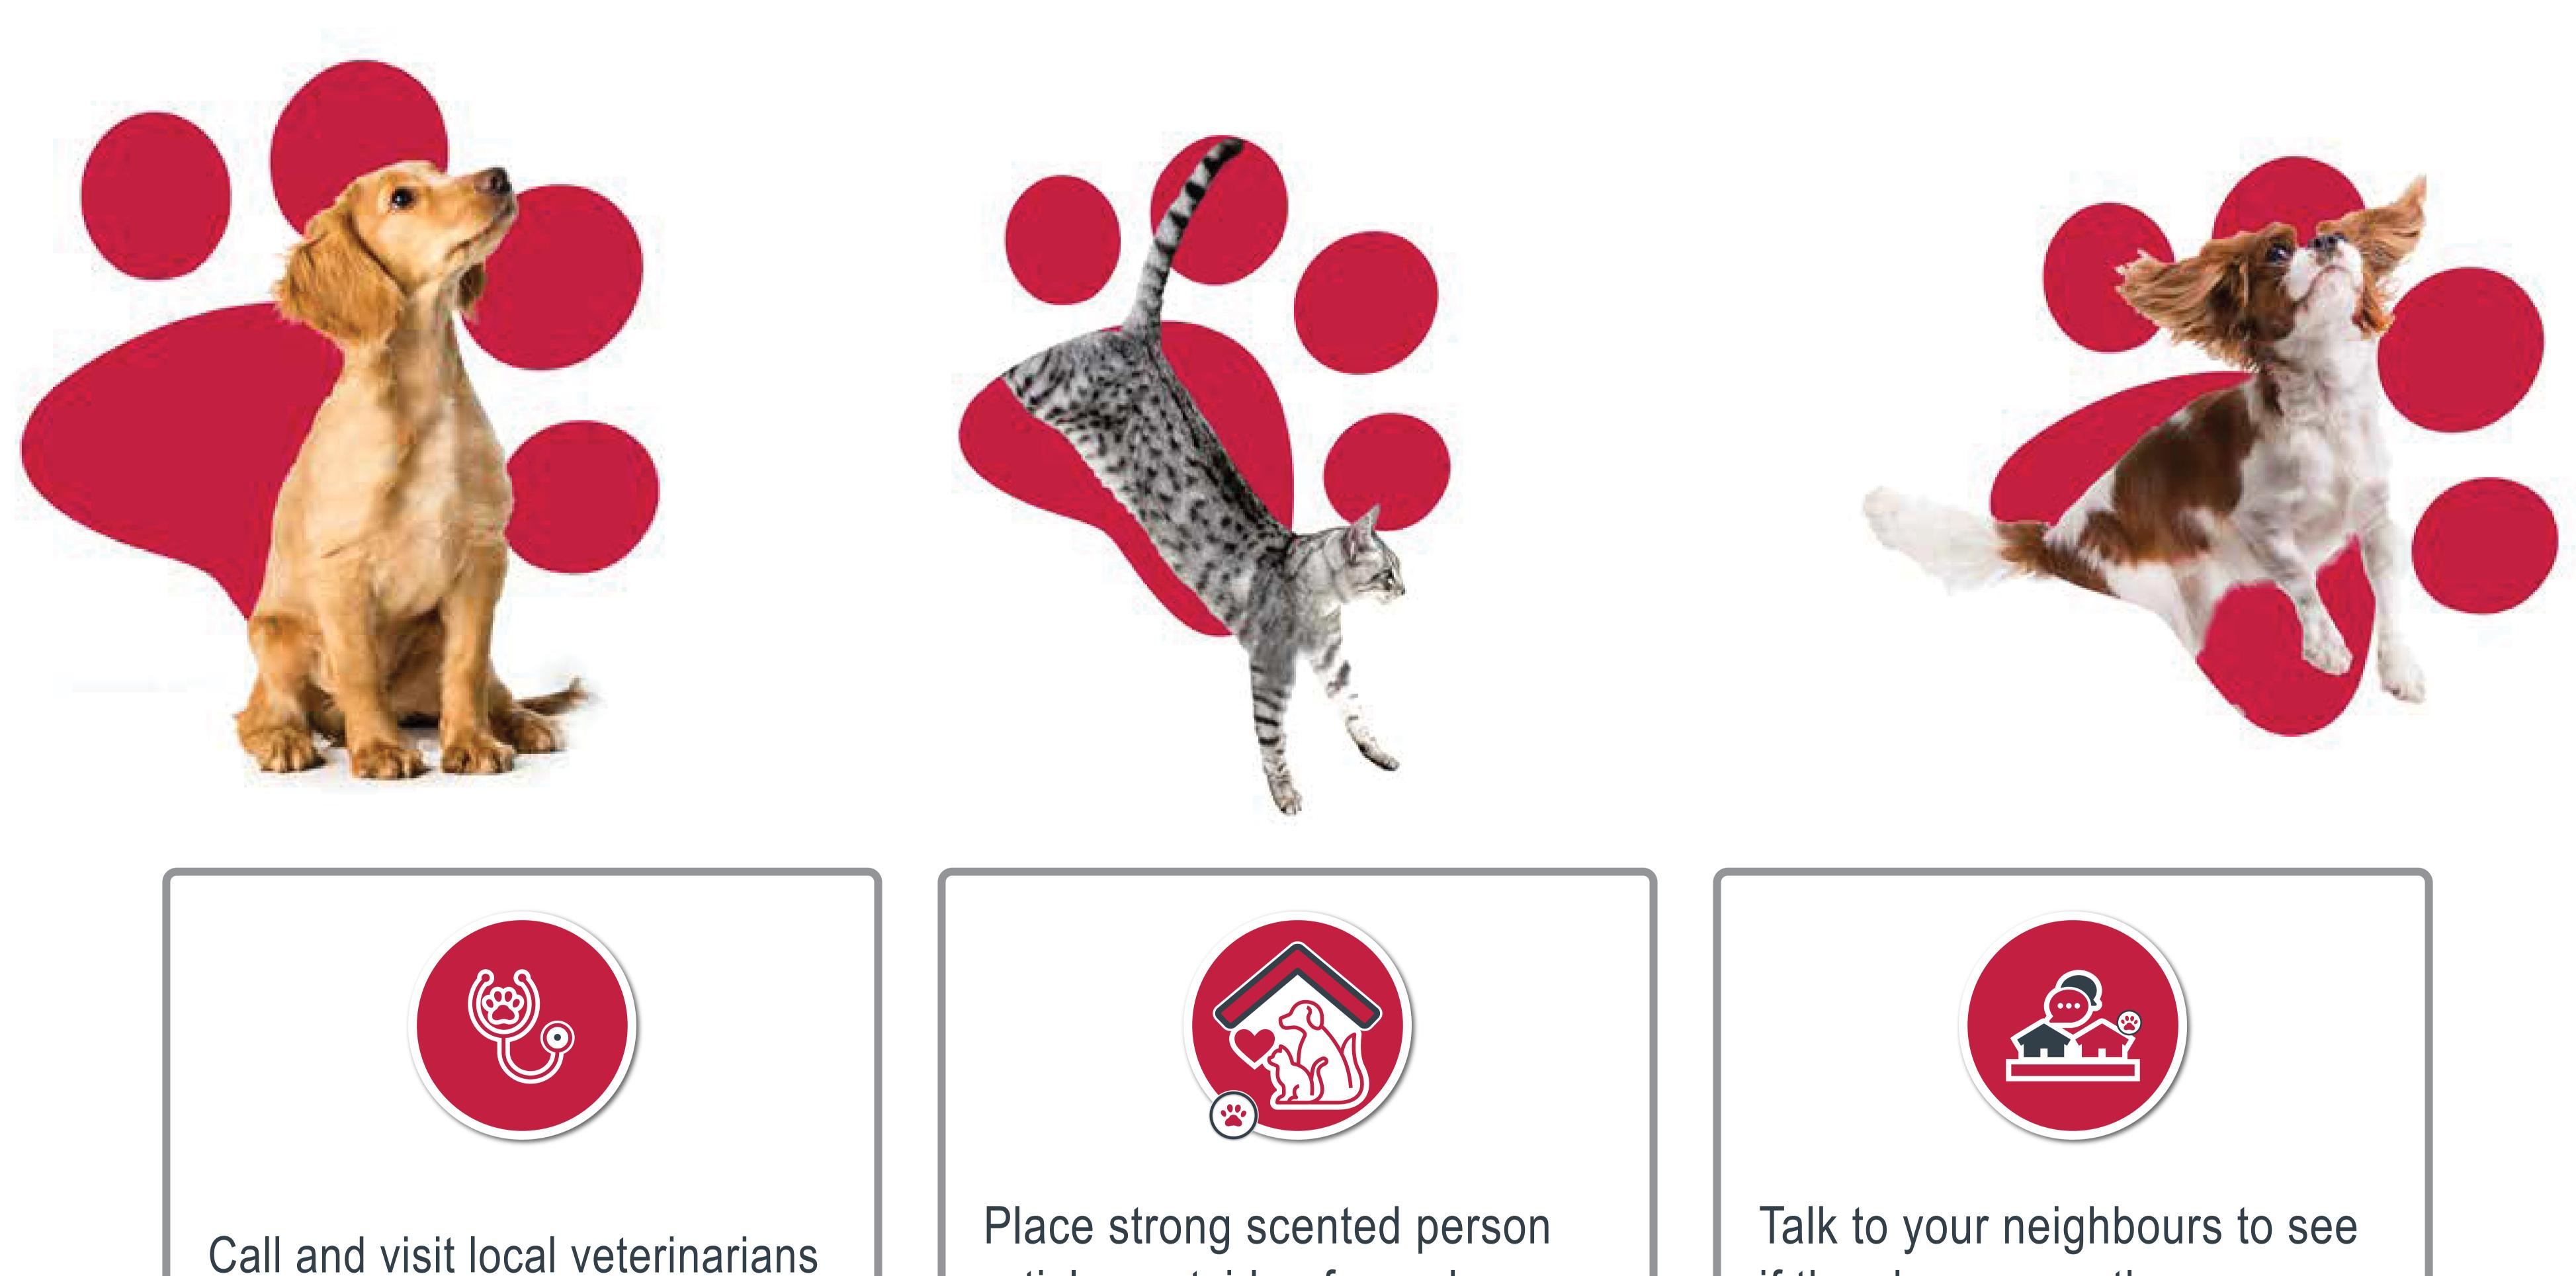

Search your house or yard, and neighbourhood. Do it at different times of the day, including early morning and early evening

Make large posters with a recent photo and your phone number and post them around your neighbourhood

Post their picture on Facebook, Twitter, Instagram or any other websites or online groups that might be helpful

and shelters

articles outside of your home. (dog bed/blanket, article of clothing) if they have seen them or can keep an eye out

If you've lost your dog, we know how scared, stressed and emotional you may be feeling. Time is of the essence, so move quickly to report your pet as lost with 24Petwatch, begin searching the area, and spread the word to your community. Remember, our Lost Pet team is available 24/7/365 to report your pet as missing and help facilitate a happy reunion if they are found.
